All athletes must register with the Club if they wish to participate in training and/or competition. For insurance and health & safety reasons, **athletes are not allowed to compete for the Club or attend Club training without being registered**. A separate form must be completed and signed by each athlete that is registering. Photocopies of the form are acceptable.

All juvenile and senior registration forms can be downloaded from our website at www.inishowenac.com/join. All forms must be fully completed, signed and posted with the appropriate fee to the relevant Club registrar. **(Juvenile athletes can return their fully completed registration forms with the appropriate fee to their coaches at training).**

Thank you all for your help with this.
